Annual Report 2022-2023

IMPORTANT NOTES:

- Pursuant to the General Circular No. 10/2022 dated December 28, 2022, issued by the Ministry of Corporate Affairs (MCA) and Circular SEBI/HO/CFD/PoD 2/P/CIR/2023/4 dated January 5, 2023 issued by SEBI (hereinafter collectively referred to as "the Circulars"), companies are allowed to hold AGM through VC, without the physical presence of members at a common venue. Hence, in compliance with the Circulars, the AGM of the Company is being held through VC.

The deemed venue for the 39th AGM shall be the Registered Office of the Company. The Company has engaged National Securities Depository Limited for facilitating voting through electronic means i.e., remote e-voting and voting at the AGM.
- A member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since the AGM is being held in accordance with the Circulars through VC, the facility for the appointment of proxies by the members will not be available.
- Participation of members through VC will be reckoned for the purpose of quorum for the AGM as per Section 103 of the Companies Act, 2013.
- Members of the Company are encouraged to attend and vote at the AGM through VC. Corporate members intending to authorize their representatives to participate and vote at the meeting are requested to send a certified copy of the Board resolution/ authorization letter to the Scrutinizer by email to pcscscomply@gmail.com with a copy marked to evoting@nsdl.co.in.
- The register of directors and key managerial personnel (KMP) and their shareholding, maintained under Section 170 of the Companies Act, 2013, and the register of contracts or arrangements in which the directors are interested, maintained under Section 189 of the Companies Act, 2013, will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available for inspection without any fee from the date of circulation of this Notice up to the date of AGM, i.e. September 29, 2023. Members seeking to inspect such documents can send an email to legalho83@gmail.com.
- Members whose shareholding is in electronic mode are requested to notify any change in address or bank account details to their respective depository participant(s) (DP). Members whose shareholding is in physical mode are requested to opt for the Electronic Clearing System (ECS) mode.
- To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned depository participant and holdings should be verified from time to time.
- Members are requested to address all correspondence, including dividend related and IEPF matters, to RTA.

As required by Section 102(1) of the Companies Act, 2013 (“the Act”), the following Explanatory Statement sets out the material facts relating to the Special Business mentioned under item Nos. 3,4 and 5 in the accompanying Notice:

ITEM NO. 3.

In terms of Section 149 and other applicable provisions of the Companies Act, 2013, Smt. Avani Pandit (DIN: 08386003) was appointed as an Independent Director for a period of five years at the 35th AGM of the Company held on 30 September 2019. Accordingly, her first term as an independent Director, is ending on 10th March, 2024.

Due to the Strategic Guidance from Smt. Avani Pandit by virtue of her deep insight into industry as well as hands on experience in consultancy. It will be in the best interest of the Company to extend Smt. Avani Pandit’s tenure as a board member for a period to help the board maintain continuity in the face of change in composition of the Board in addition to the changes in the management team and the competitive dynamics of the industry.

Section 149(10) of the Companies Act 2013 (“Act”) provides that an Independent Director shall hold office for a term up to five consecutive years on the Board of a company but shall be eligible for reappointment on passing of a special resolution by the company for a second term of up to five years.

The Nomination and Remuneration Committee on the basis of performance evaluation recommended re- appointment of Smt. Avani Pandit as a Non-Executive Independent Director for a second term of five consecutive years on the Board of the Company commencing from 11th March 2024 up to 10th March 2029. The Board of Directors has received the declaration made by Smt. Avani Pandit that she meets the criteria of independence as provided in Section 149(6) of the Act and under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and was of opinion that she fulfills the conditions specified in the Act, the rules made there-under and in LODR and is independent of the management. The board accordingly proposes the reappointment of Smt. Avani Pandit as Independent Director not liable for retire by rotation.

ITEM NO.4.

Annual Report 2022-2023

COMPLIANCE CERTIFICATE ON CORPORATE GOVERNANCE

(In terms of Regulation 34(3) and Schedule V (E) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

To,
The Members,
ROYAL CUSHION VINYL PRODUCTS LIMITED

We have examined the compliance of the conditions of Corporate Governance by **ROYAL CUSHION VINYL PRODUCTS LIMITED** for the year ended 31st March, 2023 as stipulated under Regulations 17 to 27, clauses (b) to (i) and (t) of subregulation (2) of Regulation 46 and para C, D & E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Directors and the Management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2023.

We state that in respect of Investor Grievances received during the year ended 31st March 2023, no investor grievances are pending against the Company as per the record maintained by the companies which are presented to Investor Grievance Committee.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Annual Report 2022-2023

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF ROYAL CUSHION VINYL PRODUCTS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the standalone financial statements of **ROYAL CUSHION VINYL PRODUCTS LIMITED** ("the Company"), which comprise the Standalone Balance Sheet as at 31 March 2023, and the Standalone Statement of Profit and Loss (including other comprehensive income), Standalone Statement of Changes in Equity and Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ("Ind AS") specified u/s 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2023, and its profit (financial performance including other comprehensive income, changes in equity), its cash flows and the changes in equity for the year ended on that date.

3. Basis of Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act 2013 (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

1. We draw your attention to Note No.20 to the financial statement with respect to the profit on sale of fixed assets comprising of sale of Factory Land. Profit on sale of asset Rs. 1876/- lacs grouped under the head other income.
2. We draw your attention to Note No. 14.1.(b) to the financial statement with respect to the payment of borrowing (Term Loan) with The Baroda City Co Operative bank Ltd. Accordingly interest Rs.73.05/- lacs paid and principal of Rs. 32.68/- lacs towards repayment of loan.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

5. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including annexure to Board's Report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Annual Report 2022-2023

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with the Governance for the Financial Statements

6. The Company's Board of Directors is responsible for the matter stated in Section 134(5) of the Companies Act, 2013 with respect to preparation and presentation of these Financial Statements in terms of the requirements of the Act that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and statement of changes in equity of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and of its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Financial Statements by the Directors of the Company, as aforesaid.

In preparing the financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the are also responsible for overseeing the financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the

Annual Report 2022-2023

related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion.

Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit finding, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirement regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2020, issued by the Central Government of India in term of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A" a statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.

Annual Report 2022-2023

Annexure “B” to the Independent Auditors’ Report

Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **ROYAL CUSHION VINYL PRODUCTS LIMITED** (“the Company”) as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of internal financial control over the financial reporting issued by the Institute of Chartered Accountants of India . These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements of the company that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as “the Act”).

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on audit of internal financial controls over financial reporting (“the Guidance Note”) and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements of the company were established and maintained and if such controls operated effectively in all material respects;

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to financial statements of the company and their operating effectiveness. Our audit of internal financial controls over the financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditors’ judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error;

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting;

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements;

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate;

Annual Report 2022-2023

Opinion

In our opinion, to the best of our information and according to explanation given to us, the Company has, in all material respects, an internal financial controls with reference to standalone financial statements of the company and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal financial controls over the financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Annual Report 2022-2023

ROYAL CUSHION VINYL PRODUCTS LIMITED Notes to the Financial Statements for the year ended 31st March 2023

1. CORPORATE INFORMATION:

Royal Cushion Vinyl Products Ltd. (RCVP), CIN L24110MH1983PLC031395, having registered office at 60 Cd Shlok, Govt Industrial Estate, Charkop, Kandivali (West), Mumbai and plant at Plot no. 55, Village Garadhia, Dist Vadodara, Gujarat. The Company's Equity shares are listed in BSE Ltd. The Company is engaged in manufacturing of Vinyl Flooring, PVC Sheeting and Artificial Leather cloth for commercial, residential, Transport and contract range as per the industries need and under the brand name "Royal House."

2. SIGNIFICANT ACCOUNTING POLICIES TO FINANCIAL STATEMENTS:

2.1 Basis for preparation of financial accounting

(i) Statement of Compliance

The financial statement of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified pursuant to-Section 133 of the Companies Act, 2013 ('the Act'), read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act together with the comparative period data.

(ii) Historical cost conversion

The Financial Statements have been prepared on historical cost conventions basis, except for the following:

- Certain financial instruments that are measured at fair value at the end of each reporting period;
- Defined benefit plans – plan assets measured at fair value.

(iii) Current and Non-Current classification

Based on the nature of activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as twelve months for the purpose of classifications of its assets and liabilities as current and non-current.

2.2 Use of estimates and assumptions

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of circumstances surrounding the estimates. Changes in estimates are reflected in the financial statement in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statement

The company has consistently applied following accounting policies to all the period presented in these financial statements.

a) Property, plant and equipment

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its tangible assets recognized as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost of the transition date.

Free hold land is carried at cost and all other items of Property, Plant and Equipment are recorded at their cost of acquisition, net of taxes, less accumulated depreciation and impairment losses, if any. The cost thereof comprises of its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost for bringing the asset to its working condition for its intended use.

Borrowing costs on Property, Plant and Equipment's are capitalised when the relevant recognition criteria specified in Ind AS 23 Borrowing Costs is met.

Significant spares which have a usage period in excess of one year are also considered as part of Property, Plant and Equipment and are depreciated over their useful life.

Annual Report 2022-2023

Decommissioning costs, if any, on Property, Plant and Equipment are estimated at their present value and capitalised as part of such assets.

An item of property, plant and equipment and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

The residual values and useful lives of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Subsequent cost is included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset, is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation:

The Company depreciated its property, plant and equipment over the useful life in the manner prescribed in Schedule II of the Companies Act 2013 for the proportionate period of use during the year. The depreciation on assets is provided on the straight-line method considering the useful life and residual value of respective asset. The residual values are not more than 5% of the original cost of the asset. Depreciation on assets purchased /installed during the year is calculated on a pro-rata basis from the date of such purchase /installation.

The useful life considered for calculation of depreciation for various asset class are as follows:

Particulars	Useful Life
Building (Factory)	30
Building (Residential)	30
Building (Fences, Wells, etc)	30
Plant and Machinery	15
Electrical Installations	15
Laboratory Equipment	15
Furniture	10
Office equipment	5
Vehicles - Four Wheeler	8

b) Intangibles

Intangible assets that are acquired by the Company and that have finite useful lives are measured at cost less accumulated amortization and accumulated impairment losses, if any. Subsequent expenditures are capitalised only when they increase the future economic benefits embodied in the specific asset to which they relate.

De-recognition of intangible assets

Intangible assets are de-recognised either on their disposal or where no future economic benefits are expected from their use. Gain or loss arising on such de-recognition is recognised in profit or loss and are measured as the difference between the net disposal proceeds, if any, and the carrying amount of respective intangible assets as on the date of de-recognition.

c) Inventories

Raw Material are valued at lower of moving weighted average cost and net realizable value.

Finished goods are valued at lower of cost or net realizable value.

The cost of work in progress and finished goods comprises direct material, direct labour, other direct cost and related production overheads.

Annual Report 2022-2023

Stores and spares, parts and components are valued at cost.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

d) Impairment of non-financial assets

Assets subject to amortization are tested for impairment provided that an event or change in circumstances indicates that their carrying amount might not be recoverable. These are treated as impaired when the carrying cost thereof exceeds its recoverable value. Recoverable value is higher of the asset's net selling price or value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net selling price is the amount receivable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal. An impairment loss is charged for when an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

e) Revenue Recognition

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts and taxes, revenue from sale of goods is recognized on transfer of significant risk and rewards of ownership of products to the customers, which is generally on dispatch of goods.

Revenue from job charges is recognized on completion of job work.

Contract balances

Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due a contract asset is recognized for the earned consideration that is conditional.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognized when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognized as revenue when the Company performs under the contract

Dividend

Dividend income is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

f) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of noncash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Annual Report 2022-2023

g) Leases

The Company evaluates each contract or arrangement, whether it qualifies as lease as defined under Ind AS 116.

The Company as a lessee

The Company enters into an arrangement for lease of land, buildings, plant and machinery including computer equipment and vehicles. Such arrangements are generally for a fixed period but may have extension or termination options. The Company assesses, whether the contract is, or contains, a lease, at its inception. A contract is, or contains, a lease if the contract conveys the right to –

- a) control the use of an identified asset,
- b) obtain substantially all the economic benefits from use of the identified asset, and
- c) direct the use of the identified asset

The Company determines the lease term as the non-cancellable period of a lease, together with periods covered by an option to extend the lease, where the Company is reasonably certain to exercise that option.

The Company at the commencement of the lease contract recognizes a Right-of-Use (RoU) asset at cost and corresponding lease liability, except for leases with term of less than twelve months (short term leases) and low-value assets. For these short term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the lease term.

The cost of the right-of-use asset comprises the amount of the initial measurement of the lease liability, any lease payments made at or before the inception date of the lease, plus any initial direct costs, less any lease incentives received. Subsequently, the right-of-use assets are measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful life of right-of-use assets are determined on the same basis as those of property, plant and equipment.

The Company applies Ind AS 36 to determine whether an RoU asset is impaired and accounts for any identified impairment loss as described in the impairment of non-financial assets below.

For lease liabilities at the commencement of the lease, the Company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined, if that rate is not readily determined, the lease payments are discounted using the incremental borrowing rate that the Company would have to pay to borrow funds, including the consideration of factors such as the nature of the asset and location, collateral, market terms and conditions, as applicable in a similar economic environment.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made.

The Company recognizes the amount of the re-measurement of lease liability as an adjustment to the right-of-use assets. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognizes any remaining amount of the re-measurement in statement of profit and loss.

Lease liability payments are classified as cash used in financing activities in the statement of cash flows.

Company as a lessor-

Leases under which the Company is a lessor are classified as finance or operating leases. Lease contracts where all the risks and rewards are substantially transferred to the lessee, the lease contracts are classified as finance leases. All other leases are classified as operating leases. For leases under which the Company is an intermediate lessor, the Company accounts for the head-lease and the sub-lease as two separate contracts. The sub-lease is further classified either as a finance lease or an operating lease by reference to the RoU asset arising from the head-lease.

h) Foreign Currency Transactions

On initial recognition, transactions in currencies other than the Company's functional currency (foreign currencies) are translated at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date. Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous period are recognised in profit or loss in the period in which they arise.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Annual Report 2022-2023

i) Taxation

Current Income Taxes:

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the company and its subsidiaries and associates operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred Tax

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized, or the deferred income tax liability is settled. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

MAT Credit:

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as a deferred tax asset only to the extent that there is reasonable certainty that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. The MAT credit to the extent there is reasonable certainty that the Company will utilize the credit is recognised in the Statement of profit and loss and corresponding debit is done to the Deferred Tax Asset as unused tax credit.

j) Employee Benefits

Short term employee benefits:

Employee benefits payable wholly within twelve months of rendering the service the service is classified as short-term employee benefits and are recognized in the period in which the employee renders the related service.

Post-Employment benefits:

Defined benefit plans: All employees are covered under Employees' Gratuity Scheme., the liability is determined based on actuarial valuation using the Projected Unit Cost Method. Re-measurement of the net defined benefit liability, which comprise actuarial gains/losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest) are recognized in Other Comprehensive Income. Net interest expense and other expenses related to defined benefit plans are recognized in the Statement of Profit and Loss.

Defined contribution plans: All employees are covered under contributory provident fund benefit of a contribution of 12% of basic salary. Contributions to defined contribution scheme is charges to the Statement of Profit and Loss of the year, on due basis. There are no obligations other than the contributions payable to the respective funds.

Long-term employee benefits: Provision for long-term employee benefits comprise of compensated absences. There are measured on the basis of year-end actuarial valuation in line with the Company's rules for compensated absences. Re-measurement gains or losses are recognized in profit or loss in the period in which they arise.

k) Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are considered as a part of cost of such assets less interest earned on the temporary investment. A qualifying asset is one that necessarily takes substantial period of time to get ready for the intended use. All other borrowing costs are charged to Statement of Profit & Loss in the year in which they are incurred.

l) Provisions and contingent liabilities

Provisions

Annual Report 2022-2023

The Company recognizes a provision when: it has a present legal or constructive obligation as a result of past events; it is likely that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognized for future operating losses. Provisions are reviewed at each balance sheet and adjusted to reflect the current best estimates.

Contingent Liability and Contingent Assets

A contingent liability recognised in a business combination is initially measured at its fair value. Subsequently, it is measured at the higher of the amount that would be recognised in accordance with the requirements for provisions above or the amount initially recognised less, when appropriate, cumulative amortization recognised in accordance with the requirements for revenue recognition.

A contingent asset is not recognised unless it becomes virtually certain that an inflow of economic benefits will arise. When an inflow of economic benefits is probable, contingent assets are disclosed in the financial statements. Contingent liabilities and contingent assets are reviewed at each balance sheet date.

Onerous Contract

A provision for onerous contracts is measured at the present value of the lower expected costs of terminating the contract and the expected cost of continuing with the contract. Before a provision is established, the Company recognizes impairment on the assets with the contract.

m) Earnings Per Share (EPS)

Basic earnings per Share is computed by dividing the net profit or loss for the year attributable to equity share holders, by the weighted average number of equity share outstanding during the period.

Diluted earning per share is computed by dividing the net profit or loss for the year attributable to equity shareholders, by the weighted number of equity and equivalent diluted equity shares outstanding during the year except where the results would be antidilutive.

n) Government Grants

The Company recognizes government grants only when there is reasonable assurance that the conditions attached to them will be complied with, and the grants will be received. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

When the grant relates to an asset, it is recognised as deferred revenue in the balance sheet and transferred to profit or loss on a systematic basis over the expected useful life of the related asset.

o) Cash and cash equivalents

Cash and cash equivalents include cash at bank and deposit with banks having original maturity of not more than three months. Bank deposit with original maturity period of more than three months but less than twelve months are classified as other bank balances.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and fixed deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

p) Investments in the nature of equity in subsidiaries, joint venture and associates

The Company has elected to recognise its investments in equity instruments in subsidiaries, joint venture and associates at cost in the separate financial statements in accordance with the option available in Ind AS 27, 'Separate Financial Statements'.

q) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement-

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortized cost.

Subsequent measurement-

Annual Report 2022-2023

For purposes of subsequent measurement, financial assets are classified in Three categories:

- i. Financial assets measured at amortized cost
- ii. Financial assets measured at fair value through other comprehensive income (FVTOCI)
- iii. Financial assets measured at fair value through profit or loss (FVTPL)

i. A financial asset that meets the following two conditions is measured at amortized cost.

- **Business Model test:** The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- **Cash flow characteristics test:** Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

ii. A financial asset that meets the following two conditions is measured at fair value through OCI:-

- **Business Model test:** The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- **Cash flow characteristics test:** The contractual terms of the instrument give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

iii. All other financial assets are measured at fair value through profit and loss.

Equity instruments

All equity instruments in scope of Ind AS 109 - [•] are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in OCI. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, including foreign exchange gain or loss and excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the profit or loss.

Derecognition-

A financial asset is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The contractual rights to receive cash flows from the asset have expired, or
- The Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in OCI and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

Impairment of financial assets-

In accordance with Ind AS 109, The company assesses impairment based on expected credit losses (ECL) model at an amount equal to: -

- 12 months expected credit losses, or
- Lifetime expected credit losses

depending upon whether there has been a significant increase in credit risk since initial recognition.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables or any contractual right to receive cash or another financial asset.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Financial liabilities-

Initial recognition and measurement-

Annual Report 2022-2023

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement-

All financial liabilities are subsequently measured at amortized cost using the effective interest method or at FVTPL.

Financial liabilities at fair value through profit or loss-

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or is designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred principally for the purpose of repurchasing in the near term or on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking. This category also includes derivative entered into by the Company that are not designated and effective as hedging instruments in hedge relationships as defined by Ind AS 109. Gains or losses on liabilities held for trading are recognised in the profit or loss.

Derecognition-

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognised in profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognize amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

r) Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The Company has consistently applied the following accounting policies to all periods presented in these financial statements.

s) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker of the Company is responsible for allocating resources and assessing performance of the operating segments and accordingly is identified as the chief operating decision maker.

t) Recent pronouncements

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Annual Report 2022-2023

(i) Balance Sheet:

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

(ii) Statement of profit and loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of consolidated financial statements.

The amendments are extensive, and the Company will evaluate the same to give effect to them as required by law.

14.1 (a) As in the past, in current year also, due to non-receipt of the statements / advices / balance confirmation certificates from the financial institutions / banks, book entries pertaining to banks and financial institutions, the balances could not be reconciled. Further, in absence of such details and information, the amount payable also could not be estimated or ascertained. Thus, bank balances and balances of such financial institutions as on 31.03.2023 are subject to adjustments, if any, to be carried out on receipt of the relevant statements / advices / balance confirmation certificates from banks/ financial institutions.

(b) The original lenders of the Company namely IDBI, Bank of India, Oriental Bank of Commerce and EXIM Bank had assigned their dues to Asset Reconstruction Company of India Limited ('ARCIL') in the year 2006-07 and thereafter ARCIL assigned its rights in dues of the Company to SICOM Limited in the year 2011-12. During the financial year 2017-18, SICOM Limited assigned its rights in the dues outstanding from the Company to Finquest Financial Solutions Private Limited ('Finquest'). Similarly, during the financial year 2017-18, Saraswat Co-op Bank Ltd. assigned its rights in the dues outstanding from the Company to Finquest. Therefore, the outstanding loan balance of all these original lenders has been presented to the credit of Finquest. The Company has not provided interest on loan outstanding to the credit of Finquest. Had the Company provided interest as per practice followed in earlier years, loss would have been higher by ₹.1291.31 lacs (P.Y. ₹ 1296.87 lacs). During the year the Company had done one time settlement with Baroda City Co-op Bank and outstanding due of principal Rs.32.68/- lacs and interest Rs.73.05/- lacs paid during the year.

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, it has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Annual Report 2022-2023

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: Such inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset and liability, either directly or indirectly.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

The investments included in Level 3 of fair value hierarchy have been valued using the cost approach to arrive at their fair value. The cost of unquoted investments approximates the fair value because there is wide range of possible fair value measurements and the costs represents estimate of fair value within that range.

The Management considers that the carrying amount of financial assets and financial liabilities carried at amortised cost approximates their fair values.

Note 27 - Financial Risk Management

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities.

A) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer fails to meet its contractual obligations.

a) Cash and Cash Equivalents

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Board. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition, without incurring unacceptable losses or risking damage to the Company's reputation. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of surplus funds, bank overdrafts, bank loans, debentures and inter-corporate loans.

The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding.

The table below provides details regarding the contractual maturities of significant financial liabilities :

Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates and commodity prices) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to commodity prices and the market value of its investments.

Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates.

Annual Report 2022-2023

Note 40: Exceptional items in the Statement of Profit and Loss account for FY 21-22 represent written back of outstanding due of Rs. 6261.23 lacs payable to Natroyal Industries Private Limited (NIPL). NIPL, one of the group companies being a related party, had supported the Company through various means in its efforts to revive the Company from the sick company status during the time Company's reference for revival was pending before the erstwhile Board for Industrial and Financial Reconstruction (BIFR). As such, there was an aggregate amount of (INR 6261.23 lacs) payable to NIPL consisting of INR 3390.23 lacs as advance/deposit received under a manufacturing support and supply agreement and INR 2870.94 lacs as trade payables towards purchases of goods, pertaining to the period prior to the filing of fully tied-up draft rehabilitation scheme (DRS) with BIFR in the year 2013 ('DRS Cut-off Date'). Since then, the said amount payable to NIPL has remained outstanding, and the Company has been endeavouring to keep the ledger account of NIPL regular in respect of transactions undertaken post the DRS Cut-off Date, though as on date, there has been a substantial outstanding amount for the same as well. NIPL has already written off the said amount of INR 6261.23 lacs recoverable from the Company in its books of account and currently, NIPL has not been pursuing any active recovery efforts or measures knowing the state of affairs of the Company. At the same time, the Company has been contemplating and initiating various efforts including monetisation of surplus assets, to strengthen its financial position and operations, however various adverse circumstances including the onset of Covid-19 pandemic and prevalent weak domestic and global environment due to multitude of factors, are causing several limitations to the effective revival measures. Therefore, the management doesn't foresee that the Company will be in position to pay this outstanding amount of INR 62.61 Crores payable to NIPL pertaining to the period prior to the DRS Cut-off Date and has accordingly, decided to write-back the said payable amount.
